Find out about planned bicycle and pedestrian improvements in the area of the Vienna Metro station along Country Creek Road/Virginia Center Boulevard between Sutton Road and the ramp to westbound I-66, and along Sutton Road between Blake Lane and Country Creek Road. Proposed interim improvements include creating a separated two-way cycle track on eastbound County Creek Road/Virginia Center Boulevard between Sutton Road and the Metro North Parking Lot entrance by restriping and installing posts or barriers for separation, adding a buffered bike lane on Sutton Road between Sutton Green Court and Country Creek Road, upgrading pedestrian signals and installing related signs and pavement markings. Proposed final improvements include constructing shared-use paths along Blake Lane and Sutton Road from the I-66 bridge to Country Creek Road, adding a separated two-way cycle track with adjacent sidewalk along Country Creek Road/Virginia Center Boulevard, consolidating and relocating bus stops for improved transit access, and realigning the I-66 westbound ramp to Country Creek Road.
