

LABOR DAY 2022

VDOT will lift most lane closures for holiday travel for the Labor Day weekend at noon on Friday, Sept. 2 until noon on Tuesday, Sept. 6. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Salem District in the following locations:

Botetourt County

Route 11 – Bridge work over the James River in the Town of Buchanan. Water Street is closed and lane closures may be in place.

I-81 Rest Area Closure - Troutville Rest Area on southbound I-81 at mile marker 158 will be closed through late September 2022. The rest area facility, ramps and parking lot will be closed to the public.

Carroll County

Route 58 westbound – Bridge replacement over Crooked Creek between Route 822 and Route 887 in the Woodlawn area. Lane closures may be in place. Traffic reduced to one lane in both directions at Glendale Drive.

Craig County

Route 311 – Bridge replacement over Meadow Creek. Traffic reduced to one lane with a temporary signal to control traffic. Width restriction 9 feet. Speed reduced to 35 mph. Signed detour in place on Allen Street.

Henry County

Route 220 – Safety improvements southbound from VA/NC State line to Route 688. Left lane closure in place.

Route 220 – Bridge replacement northbound over Reed Creek located 0.4 miles east of the Route 220 and Route 220 Business intersection. Bridge restricted to one lane with a width restriction of 13' 6".

Patrick County

Route 58 – Road work along Lover's Leap area. Flagging operations possible.

Roanoke City

13th Street SE – Safety improvements. Southbound traffic detoured using Norfolk Avenue onto 12th Street to Tazewell Avenue. Northbound 13th Street open to traffic. Flaggers possible. Speed limit is 25 mph.

Roanoke County

I-81 – Road widening between exits 137 and 141 northbound and southbound in Roanoke County and City of Salem.. Barrier walls in place. Nighttime lane closures. Daytime shoulder closures. Width restriction is 11 feet.

Pulaski County/Montgomery County

I-81 over New River – Replacing northbound bridge at the Pulaski/Montgomery County line. Northbound traffic switched to new bridge. Lane, ramp and shoulder closures in place between mile markers 103 and 105. Speed limit reduced to 60 mph. Width restriction is 11 feet.
