

THANKSGIVING 2022

VDOT will lift most lane closures for travel for the Thanksgiving holiday at noon on Wednesday, Nov. 23 until noon on Monday, Nov. 28. However, motorists may encounter semi-permanent work zones or travel delays in the following locations:

Albemarle County

U.S. 250 (Richmond Road) at Interstate 64 - Construction of a diverging diamond interchange. Intermittent lane traffic controlled by flaggers, Monday through Friday, 9 a.m. to 3 p.m. Speed limit reduced to 25 mph.

U.S. 250 (Rockfish Gap Turnpike) at Route 151 (Critzler Shop Road) - Construction of a roundabout. Shoulders closed between 6:30 a.m. and 7 p.m., Monday through Friday. Speed limit reduced to 25 mph.

Botetourt County

Route 11 – Bridge work over the James River in the Town of Buchanan. Water Street is closed and lane closures may be in place.

Campbell County

Route 460 Business/Route 622 – Safety improvements to Waterlick and Timberlake Road Intersection. Traffic reduced to one lane along Route 622 in some locations.

Caroline County/Spotsylvania County/City of Fredericksburg

I-95 Northbound – Variable speed limits between exits 110 (Ladysmith) and 130 (Route 3). Be prepared to adjust speeds based on conditions ahead.

Carroll County

Route 58 westbound – Bridge replacement over Crooked Creek between Route 822 and Route 887. Lane closures may be in place. Traffic reduced to one lane in both directions at Glendale Drive.

City of Chesapeake

I-64 – Interstate widening project. Speed limit reduced to 55 mph in both directions between I-264/Bowers Hill and I-64 Battlefield Boulevard.

Craig County

Route 311 – Bridge replacement over Meadow Creek. Traffic reduced to one lane with a temporary signal to control traffic. Width restriction 9 feet. Speed reduced to 35 mph.

Dickenson County

Route 80 (Sandlick Road) – Bridge rehabilitation project near the intersection of Route 605 (Russell Fork River Road) Temporary traffic signals will control one-way traffic across the bridge.

Fauquier County

U.S. 17 (Marsh Road) – Replacing southbound bridge over the railroad and Route 805 (Bealeton Road). Right lane and right shoulder closures from Route 656 (Remington Road) to Route 661 (Schoolhouse Road).

Greene County

U.S. 33 (Spotswood Trail) – Road reconstruction. Both shoulders are closed between Route 680 (Pinewood Court) and U.S. 29 (Seminole Trail) in the eastbound and westbound lanes. Traffic is diverted onto the newly constructed eastbound lanes while crews reconstruct the westbound lanes. There will be no work the week of Thanksgiving.

Halifax County

Route 501/Route 610 – Safety improvements project, with added passing lanes to Route 501. Speed limit reduced to 35 mph in the work zone at all times.

Henry County

Route 220 – Northbound bridge replacement. Bridge restricted to one lane of travel with a width restriction of 13'6".

Isle of Wight County

Route 460 – Bridge replacement. Route 460 east and west is limited to one lane in each direction. The temporary road configuration will include the use of barriers and markers to delineate lanes. Wide loads exceeding 10 feet 6 inches are advised to use alternate routes.

City of Lynchburg

Route 29/Route 460 – Bridge replacement over Norfolk Southern Railroad. Speed limit reduced to 45 mph in the work zone for northbound and southbound directions.

Mathews County

Route 223 (Old Ferry Road) over Milford Haven – Bridge maintenance project. Temporary signals will control one-way, alternating traffic at the bridge connecting Gwynn's Island with mainland Mathews County.

Nelson County

Route 60 – Bridge rehabilitation over the James River. Speed limit reduced to 45 mph in the work zone. Traffic restricted to one lane with a width restriction of 11-feet. Temporary signals and signage in place.

City of Newport News

Route 173 (Denbigh Boulevard) over I-64 – Bridge replacement between Jefferson Avenue and Warwick Boulevard. Bridge traffic reduced to one lane in each direction. Access to and from Denbigh Boulevard at Richneck Road closed. Shoulders closed with concrete barriers in place.

City of Norfolk/City of Hampton

HRBT Expansion Project (I-64 east and west from Settlers Landing Road in Hampton to I-564 in Norfolk) – Roadway widening. All travel lanes open. Concrete barriers in place along the shoulder throughout the work zone.

- West Evans Street from Executive Drive to Granby Street closed in both directions to allow crews to work to widen the I-64 overpass. A detour will be in place.
- Mason Creek Road under the I-64 overpass closed in both directions to vehicular traffic to allow crews to widen the overpass. A detour will be in place.

Patrick County

Route 58 – Work along Lover's Leap area of Route 58. Flagging operations possible. Message boards in place.

Pittsylvania County

Route 29 – Bridge rehabilitation over Banister River. Speed limit reduced to 45 mph in the work zone. Traffic restricted to one lane in northbound and southbound directions.

Pulaski County/Montgomery County

I-81 over New River – Replacing bridge at the Pulaski/Montgomery County line. Lane, ramp and shoulder closures in place between mile markers 103 and 105. Speed limit reduced to 60 mph. Width restriction is 11 feet.

Richmond County

Route 360 – Intersection improvement project. A single eastbound lane and westbound lane are closed near Route 619 (Rich Neck Road/Mulberry Road).

Roanoke City

13th Street – Safety improvements. Southbound traffic detoured using Norfolk Avenue onto 12th Street to Tazewell Avenue. Northbound 13th Street open to traffic. Flaggers possible. Speed limit is 25 mph.

Roanoke County

I-81 Widening Exit 137-141 – Road widening between exits 137 and 141 northbound and southbound in Roanoke County and City of Salem. Barrier walls in place. Shoulder closures in place. Nighttime lane closures. Width restriction is 11 feet.

Scott County

Route 23 – Bridge rehabilitation over Speers Ferry. The northbound bridge is closed. Traffic is restricted to one 11-foot-wide lane in each direction across the southbound bridge.

Southampton County

Route 189 – Bridge replacement. Route 189 (South Quay Road) is closed in both directions between Route 58 and Route 714 with a signed detour in place.

Stafford County/Spotsylvania County/City of Fredericksburg

I-95 – Improve 95 construction projects between exits 148 (Quantico) and 126 (Spotsylvania). Shoulder closures northbound and southbound. Height restriction of 15 feet, 2 inches in place at mile marker 138.

I-95 – New traffic pattern for northbound Interstate 95 traffic exiting to Route 17 northbound to Warrenton and southbound to Falmouth. All traffic exiting northbound I-95 will use a new, single off-ramp. Travelers entering I-95 from Route 17 will use a single on-ramp.

City of Virginia Beach

Laskin Road – Road reconstruction and bridge replacement from Republic Road to Red Robin Road. Speed limit reduced to 35 mph in both directions throughout the work zone.

Washington County

I-81 – Traffic flow project at exit 17 in Abingdon. Narrowed shoulders northbound near the exit.

Route 58 – Road widening and bridge construction in the Damascus area from east of Route 708 (Bethel Road) to east of Route 858 (Hollyfield Road). Traffic along the South Fork Holston River and the Virginia Creeper Trail will be periodically impacted.

Wise County

Business Route 23 – Road widening between Route 23 at McDonald's and Cherry Street. Allow extra travel time.

Wythe County

I-77 – Bridge replacement between mile markers 44 and 42 (Cove Creek Bridges). Altered traffic pattern on I-77 north and southbound in place.
