

THANKSGIVING 2021

VDOT will lift most lane closures for holiday travel from noon Wednesday, Nov. 24, until noon Monday, Nov. 29. However, motorists may encounter semi-permanent work zones or travel delays in VDOT's Salem District in the following locations:

Bedford County

Route 460 – Realignment of eastbound lanes near Montvale underway. Eastbound and westbound lanes reduced to one lane. Speed limit reduced to 45 mph. Traffic shift in place with eastbound lanes using westbound lane with barrier in between. Wilkerson Mill Road access is closed at Route 460 with detour in place.

Botetourt County

Route 220 – Making safety improvements between Eagle Rock and Iron Gate. Lane and shoulder closures with flaggers at several locations on 9 mile project. Delays are possible. Width restriction of 11 feet. Speed limit reduced to 35 mph or 45 mph in work zones.

Montgomery County

I-81 – Replacing northbound and southbound bridges over Route 8 at exit 114. Shoulders closed with median barriers in place from mile marker 113 to 114. Speed limit reduced to 60 mph in work zone. Closure of exit 114 ramps possible. A temporary traffic signal directs traffic on Route 8.

Roanoke County

I-81 – Widening lanes northbound and southbound between exits 141 to 143. Barrier walls in place. Drivers may experience delays.

Roanoke City

13th Street – Safety improvements on a portion of 13th Street SE in Roanoke. Southbound 13th Street traffic detoured using Norfolk Avenue onto 12th Street to Tazewell Avenue. Northbound 13th Street open to traffic. Flaggers possible. Speed limit is 25 mph.

Pulaski County/Montgomery County

I-81 – Replacing northbound bridge over the New River at the Pulaski/Montgomery County line. Lane and shoulder closures in place between mile markers 103 and 105. Speed limit reduced to 60 mph in work zone. Width restriction is 11 feet.
